Birthday Party Details

Thank you for choosing Gymsport to be a part of your child's special day. Gymsport has been hosting fantastic parties for over 20 years. So that we may serve you better, please read and sign the entire agreement and return it to Gymsport. A \$50.00 deposit is due when your party is booked. If you have any special requests for this event, please be sure to discuss them when you book your party.

Party Schedule

You will be scheduled a **90 minute time slot** for your party that will include time to play, a break in the middle for refreshments and cake, and supervised free play. We tailor activities to suit your party's ages and size, and a staff member will discuss the party agenda with you to decide what will work best for you and your guests.

It is very important to follow the party schedule. Failure to finish a party on time for clean up will impede upon the next child's party. Please let us know if you are interested in extending the length of your party.

Staff for Your Party

Two Gymsport staff members will be present for a Silver party. Three staff members will be present for Gold, Platinum and Ultimate parties and any Silver party with 20 or more expected guests.

Appropriate Apparel

Party guests should wear athletic clothing. **Please, no clothing with buckles, zippers, etc. as these can injure children and damage our equipment.** No jewelry should be worn.

Children that are not in proper attire may not be able to participate in all activities due to safety concerns.

What goes on behind the scenes?

Two+ weeks before your party

You book your party, and we reserve the spot and add you to our RSVP website. We mail out your birthday brochure for you to complete and send back. We start shopping for supplies - plates, napkins, forks, drinks, tablecloths, piñatas, party favors, candy, birthday medals and more!

The week of your party

After calling to confirm details and get a head count, we double check and finalize all supplies. Gymsport staff fills piñatas and puts together your party favors. We pick the best available staff to run your party and make sure it's an amazing day!

The day of your party

We pre-heat the ovens, pull the drinks out of the fridge, and get ready to have fun! Tables, chairs and balloons are set out. Drinks and favors for your party are organized and ready to go. We prepare for any bounce castle requests by starting to set it up 45 minutes before your party time.

During your party

Our amazing staff entertains your guest of honor and his or her friends with games, obstacle courses and more! Any requests for games or activities? Just ask—we're here to please! One staff member cooks the pizza and serves the food and drinks. We cut and serve the cake (after bringing it to your child to blow out the candles!), and make sure everyone gets a chance to eat before we go back out to play. While you're enjoying the party, one of our staff cleans up and packages any leftover food to go home.

At the end of the party

We gather the guests to take an unforgettable picture (which you'll receive along with a great souvenir frame) and have a race to get socks and shoes on (the winner gets the first party favor!). Each guest is given a favor, and the birthday boy or girl gets a special birthday medal. We collect the presents and can even help you load them in the car. You then take home your tired, happy kids!

A lot of hard work and preparation goes into a Gymsport event, and we hope that you appreciate the time to sit back, relax and enjoy the party!
